

# ALL-STARS

celebration kids

All Stars is all about raising up the next generation of disciples who don't just *know* about Jesus but truly *live* like Him. We believe kids are world changers **right now**, not someday. Through All Stars, kids learn to bring Jesus into every part of life and become servant leaders who impact their homes, schools, and communities with the gospel.

**All Stars meets Sunday nights from 5:00–6:30 PM for 2nd–5th graders. Drop-off begins at 4:30 PM.**

---

## How It Works

*Small Groups:* Kids are in small groups (same grade and gender). This creates a safe space for real friendships, honest conversations, prayer, and discipleship.

*Curriculum:* Each week, leaders teach through a Bible-centered lesson using a Leader Guide designed to help kids grow spiritually, understand Scripture, and apply it to their lives.

*Take-Home Discipleship:* Kids receive a Student Guide booklet each week filled with devotionals, memory verses, and activities to continue discipleship at home.

---

## More Than a Program

All Stars isn't just a midweek class; it's a discipleship movement created to:

- Build deep, meaningful relationships through small groups
- Root kids in God's Word and teach them how to live it out
- Equip and empower families to disciple their kids at home

---

## The Impact

When kids consistently encounter Jesus in small groups, in Scripture, and in their homes, their lives begin to look different. They gain confidence in their faith, learn their God-given purpose, and grow as leaders with the heart of a servant.

**All Stars isn't just about learning Bible stories, it's about shaping lifelong disciples who follow Jesus with boldness and lead with love wherever God sends them.**
